SASAL, INC
Information of 2024.

SASAL, INC is a start-up. Hence, the sales cost is effective compared to other tier companies. But the actual service quality is the same, and this occurs just because of the start-up.

Project Cost Range

Actually, SASAL, INC's employees are knowledgeable, and they have careers similar to those of consulting firm employees who have been hired by those companies, so the service quality is almost the same. The difference is just the company they belong to.

The upper cost depends on the interview. But that is too inaccurate. Hence, SASAL does not dedicate that.
